To Whom It May Concern

This is to acclaim that Sonam Dorji of XII Commerce was a student of Jampeling Central School in the academic year 2016. During his tenure as a student, he has immensely contributed towards the progress of the school.

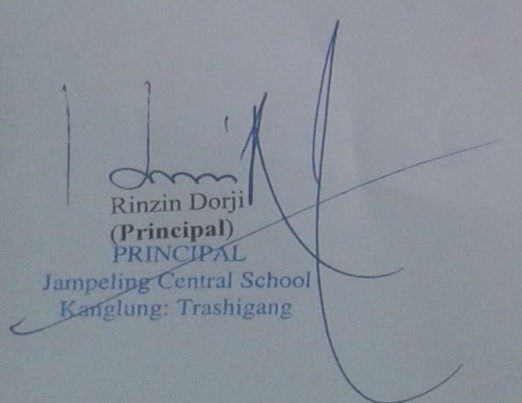

He is a very good football player and because of his effort in coaching and leading the other players, the school succeeded in reaching the national level competition. He possesses all the good qualities a player should retain.

Additionally, he actively takes part in promoting the culture and tradition of our country by taking part in the traditional dances and songs. He was a dynamic member of the school's culture group and participated in many of the events of the school and the national.

Furthermore, academically he is not very poor. He is a hard working boy. Though his parents are unable to guide him in his studies, under the guidance of the teachers, he has studied immensely and has secured good marks in the BCSEA examination.

Also, as he comes from a farming background, he possesses the energy to carry out the agricultural works with lots of enthusiasm and commitment.

Overall, he has been an exemplary to most of the students in many fields.
